Spotlight on Collector Groups

FRACTIONAL CURRENCY COLLECTORS BOARD

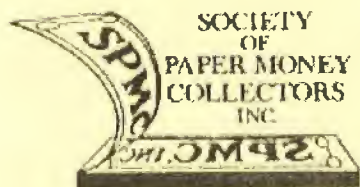

The Fractional Currency Collectors Board (FCCB) is a group of Dealers and Collectors who are interested in the collection and the study of Fractional Currency. It started at the Memphis Paper Money Show in 1983. It was named after F.C.C. Boyd who had the largest and most complete collection of all time. He bought up all the big collections of the 1930's and 40's. Boyd's collection was bought by Ford. If you are interested in Fractional Currency, it is "A Must" that you join the FCCB! It only costs \$15.00 per year or \$200.00 for a Lifetime Membership. We meet once a year at the Memphis Paper Money Show. There is a great informative newsletter sent out quarterly to all members.

In honor of the 25th anniversary of the FCCB the following notes were given away at the FCCB meeting this year in Memphis.

See the application inside this issue to join the FCCB.

THE SOCIETY OF PAPER MONEY COLLECTORS

The Society of Paper Money Collectors (SPMC) was formed in 1961 and has over 1800 members from the U.S. and around the world. Membership is open to anyone interested in paper money or related areas such as checks, stocks, or engravings.

Paper Money the magazine published by SPMC comes out to members six times a year. The magazine has won numerous national awards for excellence. It always contains many great articles on numerous areas of interest. There has

been an entire issue just on Fractional Currency. You can borrow this and many other great books from the SPMC Library.

There are regional meetings during the year (St. Louis October 16th, 2008) to allow members to meet and socialize with each other. If you collect paper money at all, you should join the SPMC. The magazine is worth the price of the membership alone! See the application inside this issue to join the SPMC.

Enjoy your notes!
